

PORT HOUSTON

BREAKBULK & MULTI-PURPOSE FACILITIES

Port Houston owns and manages the public wharves and terminals along the Houston Ship Channel, including the area's largest breakbulk facility.

Port Houston's multi-purpose and breakbulk terminals support heavy-lift, bulk, liquid, dry bulk and project cargo, steel and vehicles. We are centrally located, at the intersection of the Trans-Pacific, Inter-Americas and Trans-Atlantic trade lanes; giving our customers a distinct advantage and connecting them to the world.

Turning Basin Terminal / Industrial Park East and West
