# ***Certification***

The undersigned have prepared this report for the Port of Houston Authority (the “Authority”) and certify that investment transactions entered into during the quarter ended June 30, 2014 were made in compliance with Chapter 2256 of the Texas Government Code (the “Public Funds Investment Act” or “PFIA”) and our Investment Policy guidelines. The report includes the disclosures required by the Policy and the PFIA. To the extent possible, market prices have been obtained from independent pricing sources.

As noted on Page 16 of the report, a reduction in cash balances associated with a debt service payment of \$18.4 million resulted in 42% of the remaining portfolio being invested beyond 24 months. As of August 11, 2014, the portfolio showed compliance with the 40% limitation in the Investment Policy.

## **Glossary - Funds**

<b>Bond Reserve Fund</b>	A restricted fund where monies are set aside to meet covenants under revenue bond indentures, and the total amount is typically equivalent to the one year average of principal and interest due on all outstanding revenue bonds.
<b>Construction Fund</b>	A restricted fund where proceeds of bond issuances are designated for construction projects, and which may be invested in longer-dated maturities structured to meet the timing of the construction projects.
<b>Debt Service Fund</b>	Also referred to as an Interest and Redemption (“I&R”) Fund, as monies in this fund are used to cover principal and interest payments due on our outstanding General Obligations tax bonds. Monies are received from the Harris County Tax Assessor-Collector representing ad valorem taxes levied and collected annually from Harris County taxpayers, net of collection fees. Any shortfalls due to timing differences may be met from temporary transfers from the Operating Fund, but Harris County should be contacted to resolve the issue.
<b>General Fund</b>	An unrestricted fund.
<b>General Obligations Fund</b>	Another term for a Construction Fund which is funded from proceeds of General Obligations bond issuances.
<b>Operating Fund</b>	A highly liquid general fund used to meet current spending needs.
<b>P &amp; D Fund #74</b>	The Promotion and Development Fund was created by action of the Port Commission in accordance with Section 60.201 of the Texas Water Code, and is maintained pursuant to Section 5007.219 of the Texas Special District Local Laws Code. A navigation district may set aside up to 5% of gross income from operations to pay expenses connected with (1) any activity or matter incidental to the advertising, development, or promotion of the district or its ports, waterways, harbors or terminals; (2) furthering the general welfare of the district and its facilities; and/or (3) the betterment of the district's relations with steamship and rail lines, shippers, governmental officials, or others interested in ports, waterways, harbors or terminals. The P&D Fund has been audited by the State Auditor’s Office in the past and found to be in compliance with the statutes. On an ongoing basis, the Port Authority’s Internal Audit department monitors the P&D Fund for compliance with statutory and internal policy requirements.
