*EXPRESS*PASS
BENEFITS

What is express pass?

The express pass allows trucking companies to create non-hazardous transactions prior to the truck visit.

What are the benefits to using express pass?

- Dedicated lanes at both terminals
- Reduces ingate transaction time to 15 seconds or less
- Ensures transaction information is correct prior to arrival
- Reduces the risk of having a dry run from unforeseen trouble issues
- Works as a timeless appointment for up to 4 days
- Able to create express passes in bulk or as an individual
- It is a free program

Who can create express passes?

Any trucking company with a valid Lynx account can create Express Pass once the user's access is set up.

How can I get setup to create express passes?

- Sign up for Lynx, Lynx | Terminal Access (poha.com)
- Contact either of the below to request Express Pass access:
