PERTINENT PROVISIONS

PERTINENT PROVISIONS OF THE REVENUE BOND INDENTURE

1. Nature of Pledge: The Bonds are special obligations of the Authority, designed as First Lien Obligations, to be secured by a first lien on the Net Revenues of the Authority.

This Texas Municipal Report ("TMR") was prepared by employees of the Municipal Advisory Council of Texas ("MAC") for informational purposes only, and is not intended to be, and should not be considered as, a recommendation, endorsement or solicitation to buy or sell any security of the issuer to which it applies. The information set forth in this TMR has been obtained from the issuer and from sources believed to be reliable, but the MAC has not independently verified such information. The MAC specifically disclaims any responsibility for, and makes no representations, warranties or guarantees about, the completeness or accuracy of such information. In this connection, this TMR reflects information as of the date referred to in the TMR, as derived from filings received by the MAC from the issuer. This TMR will be updated in the ordinary course as filings are received from the issuer, but the MAC specifically disclaims any responsibility for doing so. The reader of this TMR is advised to obtain current information from other sources before making any investment decision respecting the securities of this issuer.

"Net Revenues" is defined in the Master Resolution as the Gross Revenues received each month or during any period after the payment or set aside of the portion thereof required to pay Operation and Maintenance Expenses due in such month or period.

2. Special Funds Created by Indenture

Debt Service Fund: To receive monthly deposits from net revenues sufficient to meet debt service requirements. The First, Second and Third Liens each have separate debt service funds.

Debt Service Reserve Fund: The balance of the reserve fund must be an amount equal to the lesser of (i) ten percent of the principal amount of the bonds, (ii) the maximum annual principal and interest requirements of the outstanding Bonds, (iii) 125% of the average annual principal and interest requirements of the outstanding Bonds. The First, Second and Third Liens each have separate Debt Service Reserve Funds.

3. Coverage Required as a Condition to Issuance of Parity Bonds: For the last preceding fiscal year or any consecutive 12-month period out of the 18-month period immediately preceding the month in which the resolution authorizing such Additional Parity Obligations is adopted, the Pledged Revenues for such period, would equal not less than: (a) 150% of the annual debt service on all Outstanding First Lien Obligations, (b) 135% of annual debt service on all outstanding First and Second Lien Obligations, (c) 125% of the annual debt service on all outstanding First, Second and Third Lien Obligations.

4. Rate Covenant: The Authority covenants that it will at all times fix, charge, impose and collect tariffs, rentals, tolls, rates, fees and other charges for the use of Port Facilities, to be paid from Gross Revenues. Net Revenues are at least equal to the greater of (a) or (b) below:
 (a) All amounts required to be deposited in such Fiscal Year to the credit of the First Lien Debt Service Fund, the First Lien Debt Service Reserve Fund, the Second Lien Debt Service Fund, the Second Lien Debt Service Reserve Fund, the Third Lien Debt Service Fund, and the Third Lien Debt Service Reserve Fund; or
 (b) An amount not less than one hundred twenty-five percent (125%) of the Annual Debt Service in such Fiscal Year on all Outstanding First Lien Obligations, Second Lien Obligations and Third Lien Obligations.

5. Third Lien Revenue Note Program: In October, 2021, the Authority entered into a five-year \$100 million third lien variable rate revolving note program with Truist Bank and BB&T Community Holdings Co. (the "Third Lien Note Program"). The Third Lien Note Program provides liquidity for additional opportunities or requirements for capital infrastructure or investments. As of April, 2022, under the Third Lien Note Program, the Authority may issue either taxable or tax-exempt variable rate notes (the "Notes") in an aggregate principal amount not to exceed \$300,000,000. To provide security for payment of principal of and interest on the Notes, the Authority has pledged (i) proceeds from (a) the sale or exchange of other Notes issued for the purposes of refunding, refinancing, renewing replacing or redeeming the Notes and (b) the sale of one or more series of Obligations by the Authority for the purposes of refunding, refinancing, renewing replacing or redeeming the Notes, and (ii) a third lien on the Net Revenues of the Authority as provided in the Master Resolution and First Supplemental Resolution. The Authority currently expects that permanent financing for any notes issued under the Third Lien Note Program will be provided through the refunding of such notes with First Lien Obligations.

ECONOMIC BACKGROUND

The Port of Houston Authority is a navigation district having boundaries coterminous with Harris County. It was incorporated in 1911 as the Harris County Houston Ship Channel Navigation District to dredge and maintain approximately 52 miles of channel, linking the City of Houston with the Gulf of Mexico and Galveston Bay, the nation's busiest waterway. Since 2019, the greater Port of Houston has ranked first among US ports in waterborne tonnage. The Authority owns and operates public wharves, marine terminals, freight handling facilities and related equipment, land, warehouses, and railroad rights-of-way and trackage adjoining the Houston Ship Channel. Most notably, the Authority owns and operates two container terminals, one at the Bayport Industrial Complex adjoining Pasadena, Texas, and the other at Morgan's Point, Texas. The Authority's container operations rank sixth in the nation in volume, moving more than three million Twenty Foot Equivalent Units. The District's present name was adopted in 1971.

COUNTY CHARACTERISTICS

Harris County, located in southeast Texas, is the most populous county and a major component of the Houston Primary Metropolitan Statistical Area. The County is traversed by Interstate Highways 10, 45, 69, and 610, as well as Cypress and Spring Creeks and the San Jacinto River, which connect to Galveston Bay in the south.

This Texas Municipal Report ("TMR") was prepared by employees of the Municipal Advisory Council of Texas ("MAC") for informational purposes only, and is not intended to be, and should not be considered as, a recommendation, endorsement or solicitation to buy or sell any security of the issuer to which it applies. The information set forth in this TMR has been obtained from the issuer and from sources believed to be reliable, but the MAC has not independently verified such information. The MAC specifically disclaims any responsibility for, and makes no representations, warranties or guarantees about, the completeness or accuracy of such information. In this connection, this TMR reflects information as of the date referred to in the TMR, as derived from filings received by the MAC from the issuer. This TMR will be updated in the ordinary course as filings are received from the issuer, but the MAC specifically disclaims any responsibility for doing so. The reader of this TMR is advised to obtain current information from other sources before making any investment decision respecting the securities of this issuer.
