

**For Immediate Release
March 18, 2026**

Port Houston Regular Commission Meeting
to Be Held on Monday, March 23, 2026

Houston, Texas – The Port Commission of the Port of Houston Authority will hold its Regular Monthly Meeting on Monday, March 23, 2026, beginning at 9:15 a.m., or thereafter, immediately following the adjournment of the Governance Committee in the boardroom of the Port Houston Authority Administrative Building, located at 2960 Riverby Road, Houston, TX 77020.

This meeting will be conducted as a hybrid meeting and is open to the public to attend in person or accessed virtually via Microsoft Teams Townhall. The agenda and instructions for accessing Port Houston public meetings are available at <https://porthouston.com/about/public-meetings/agendas-minutes/>.

On this same date, the Governance Committee Meeting will meet 8:30 a.m. prior to the Port Commission Regular Monthly Meeting. The Port Houston Local Government Corporation meeting is scheduled to meet at 10:00 a.m. or immediately following or thereafter the adjournment of the Regular Monthly Meeting. The Port Development Corporation Meeting is scheduled to meet at 10:15 a.m. or immediately following or thereafter the adjournment of the Local Government Corporation Meeting. The Community Relations Committee meeting is scheduled to start at 10:30 a.m. or immediately following or thereafter the adjournment of the Port Development Corporation Meeting.

Sign-up for public comment is available up to an hour before the meeting by contacting Parker Harrison at pharrison@porthouston.com or Erica Godfrey at egodfrey@porthouston.com.

The next Port Commission Regular Monthly Meeting is on **Tuesday, April 28, 2026, at 9:15 a.m.**

About Port Houston

For more than 100 years, Port Houston has owned and operated the public wharves and terminals along the Houston Ship Channel, including the area's largest breakbulk facility and two of the most efficient container terminals in the country. Port Houston is the advocate and a strategic leader for the Channel. The Houston Ship Channel complex and its more than 200 private and eight public terminals is the nation's largest port for waterborne tonnage and an essential economic engine for the Houston region, the state of Texas and the U.S. The Port of Houston supports the creation of nearly 1.5 million jobs in Texas and 3.37 million jobs nationwide, and economic activity totaling \$439 billion in Texas and \$906 billion in economic impact across the nation.
