About Port Houston

For more than 100 years, Port Houston has owned and operated the public wharves and terminals of the greater Port of Houston – the nation’s largest port for foreign waterborne tonnage and an essential economic engine for the Houston region, the state of Texas, and the nation. The Port of Houston supports the creation of nearly 1.35 million jobs in Texas and 3.2 million jobs nationwide, and economic activity totaling \$339 billion in Texas – 20.6 percent of the state’s total gross domestic product – and more than \$801.9 billion in economic impact across the nation. For more information, visit the website at www.PortHouston.com.

The safety and security of Port Houston’s visitors and employees is our priority. Guests entering the Port Houston’s Executive Building must show a valid government-issued photo ID. Visitors may be required to pass through security screening, including the use of a hand-held metal detector and other measures as deemed necessary. To learn more about port security, visit <http://porthouston.com/portweb/port-security/>.
